PRESENTATIONS

I have been a regular participant in conferences organized and managed by KFSH since the first international cardiac conference in 2001 held by KFSH & RC Jeddah's Dept. of Cardiology.

From 2010 onwards I have been honored to help KFSH hold an annual conference in collaboration with the American College of Cardiology bringing eminent speakers from North America, Europe and from Saudi Arabia together in a multinational environment. I have been privileged to be a part of the scientific committee and organization panel as well as a speaker at these annual conferences. KFSH has also honored me with the opportunity to organize and speak at annual ECG workshops. I have also been blessed with the chance to organize and present at various EP (electrophysiology) workshops and Board Review Courses nationally and internationally.

I have also had the privilege of being invited as a speaker as well as a moderator at various international conferences in Saudi Arabia and Pakistan.

Below is a partial list of the titles of my presentations:

- ✓ AF Ablation, Approaches, Outcome and KFSH&RC Experience.
- ✓ AF Ablation in Congestive Heart Failure patients.
- ✓ Atrial Fibrillation update.
- ✓ AVNRT pathophysiology and various presentation.
- ✓ Anticoagulation updates.
- ✓ Comparison of New Anticoagulants.
- ✓ Prevalence of AF and Guide Lines for SPAF.
- ✓ Advances in the Prevention of SCD in the Young.
- ✓ SVT.
- ✓ Approaches to VT Recognition.
- ✓ Approaches to Arrhythmia Recognition AVNRT.
- ✓ Heart Blocks.
- ✓ Ventricular Arrhythmias.
- ✓ ACLS-Arrhythmia Recognition.
- ✓ Management of Electrical Storm.
- ✓ Current Updates in AF Ablation.
- ✓ Idiopathic VTs in Normal Heart/RVOT/LVOT VT.
- ✓ Current Updates in AF.
- ✓ Interesting ECGs for Cardiologists.
- ✓ Cardiac Axis.
