

Prof. Dr. Tariq Iqbal, FRCS, FCPS, FACS

Vice Chancellor, Shaheed Zulfiqar Ali Bhutto Medical University, Islamabad, Pakistan

PERSONAL INFORMATION

Prof. Tariq Iqbal is a distinguished and highly accomplished medical professional with extensive expertise in the field of burns and plastic surgery. With a profound commitment to advancing healthcare through his knowledge and experience, Prof. Tariq has made significant contributions to patient care, medical education, and research in the realm of burn and plastic surgery. Have rare, unique and diversified international level 33 years of academic, teaching, administrative, governmental, research and higher education administration and management experience to credit.

WORK EXPERIENCE

Nov 2023–Present	Vice Chancellor Shaheed Zulfiqar Ali Bhutto Medical University, Islamabad, Pakistan
May 2022–Present	Dean, Surgery and Allied Shaheed Zulfiqar Ali Bhutto Medical University, Islamabad, Pakistan
Apr 2013–Present	Professor / Chair of Plastic, Burns, and Reconstructive Surgery Shaheed Zulfiqar Ali Bhutto Medical University, Pakistan Institute of Medical Sciences, Islamabad, Pakistan
Jun 2023–Oct 2023	Pro-Vice Chancellor Shaheed Zulfiqar Ali Bhutto Medical University, Islamabad, Pakistan
Jun 2018–May 2021	Controller of Examinations Shaheed Zulfiqar Ali Bhutto Medical University, Islamabad, Pakistan
Jul 2007–Present	Director National Burn Care Centre, Pakistan Institute of Medical Sciences, Islamabad, Pakistan
Apr 2013–Present	Consultant / Technical Advisor / Reviewer Pakistan Science Foundation, Ministry of Science and Technology, Pakistan
Sept 2011–Present	Member of Faculty / Instructor of INTERBURNS Royal College of Surgeons Edinburgh for Essential Burn Care Training Program in Pakistan

EDUCATION AND TRAINING

1989	MBBS Rawalpindi Medical College, University of the Punjab, Pakistan
1996	FCPS General Surgery College of Physicians and Surgeons Pakistan
2001	FCPS Plastic Surgery Pakistan Medical & Dental Council (Equivalence Certificate)
2016	FRCS (Glasg) Royal College of Physicians & Surgeons, Glasgow, UK
2018	FACS (Plastic Surgery) American College of Plastic Surgery, USA

PERSONAL SKILLS

Communication Skills	<ul style="list-style-type: none">• Excellent communication skills having more than 20 years of school, college and university education in English as the medium of instructions and examinations• Excellent communication skills gained through 33 years of work experience with universities, government and research institute as senior executive, clinician, and academician
Organisational / Managerial Skills	<ul style="list-style-type: none">• Excellent organizational / managerial leadership skills gained as Dean of Faculty, Professor, Controller of Examination, and Director, where I was responsible for academic development, patient management, clinical governance, higher education administration, and management• Excellent research and experimental skills gained as researcher, surgeon, and university Professor• Author of more than 50 peer reviewed research publications in the field of surgery, plastic surgery, burns care, and public health

Clinical Skills and Expertise	<ul style="list-style-type: none"> • Expertise in the acute management of burn injuries, including initial assessment, resuscitation, wound care, and surgical intervention. • Proficiency in various surgical techniques for burn wound management, such as skin grafting, flap surgery, and tissue expansion. • Experience in managing complex burn injuries involving multiple body systems and structures. • Knowledge of burn rehabilitation techniques and long-term care strategies. • Ability to collaborate with multidisciplinary teams, including nurses, physical therapists, occupational therapists, and psychologists, to provide comprehensive care for burn patients. • Proficiency in reconstructive surgery techniques to restore function and aesthetics following burn injuries, including scar revision, contracture release, and tissue rearrangement. • Participation in research projects related to burn injury management, wound healing, and reconstructive surgery. • Teaching and mentoring medical students, residents, and fellows. • Involvement in community outreach and education initiatives to raise awareness about burn prevention and treatment.
Job-related Skills	<ul style="list-style-type: none"> • Professorial and university academic administration skills • Research and R&D skills • Attended > 20 international conference overseas and presented research papers • More than 30 years of diversified experience in university teaching, research, higher education administration, academic development, and Government
Digital Skills	<ul style="list-style-type: none"> • Good command of office suite (word processor, spread sheet, presentation software)
Mother Tongue	<ul style="list-style-type: none"> • Punjabi

CONFERENCES / WORKSHOPS / COURSES

1. Presented my talk as **Invited Speaker** on “**Spectrum of Burn Care, Creating the Differance**” in 27th Annual International Meeting, **PAPSCON-2023** held at QAMC Bahawalpur on February 24-26, 2023.
2. Participated as **Expert faculty** in the **International Symposium on “Recent Advances in Management of Serious Infections”** held at **Phuket Thailand** from August 16-20, 2022.
3. Presented a talk as invited speaker on **BFIRST / BAPRAS / BBA** Online International Burns Symposium on Acute Burn Care held on July 18, 2020.
4. Presented my talk as **Invited Speaker** on “**Status of Burn Care in Pakistan**” in 25th Annual Meeting, **PAPSCON-2020** held at Serena Islamabad on March 13-14, 2020.
5. Presented my talk as **Invited Speaker** on “**Major burn injuries in a developing country**” in **British Burn Association’s** Annual Scientific Meeting held in **Leeds UK** on May 8th to 10th 2019.
6. Participated as **Faculty Member / Speaker** in 11th Asia Pacific Advance Fluid Conference on “**Fluid management in severe Burns**” organized by AESCULAP INTERNATIONAL ACADEMY from April 11-12, 2019 at **Suzhou China**.
7. Participated as Faculty member in the International Symposium on “Recent Advances in Management of Serious Infections” held in **Baku Azerbaijan** on October 27-31, 2018.
8. Participated as **invited Speaker** in **1st International symposium on TISSUE ENGINEERING: BUILDING LINKAGES (Clinician, Industry & Scientists)** held on

September 25, 2018 at Interdisciplinary Research Center in Biomedical Materials
COMSATS University Lahore.

9. Participated as Invited Faculty in **40th ESPEN Congress** on Clinical Nutrition & Metabolism from September 1-4, 2018 held at **Madrid Spain**.
10. Participated as Faculty member in MEEK training Workshop organized by HUMECA from May 9-11, 2018 at **Amsterdam Netherland**.
11. Participated as Faculty Member / Speaker in 10th Asia Pacific Advance Fluid Conference on "**Role of Crystalloids in Burns**" organized by AESCULAP INTERNATIONAL ACADEMY from April 12-14, 2018 at **Bali Indonesia**.
12. Participated as Faculty member in MEEK training Workshop organized by HUMECA from May 9-11, 2018 at **Amsterdam Netherland**.
13. Participated in **PAPSCON 2018**, 23rd Annual PAPS conference at Shiekh Zaid Hospital Lahore / Flatti's Hotel from February 23-25, 2018.
14. Organized 1st **BURNCON-17** at Burn Care Center Pakistan Institute of Medical Sciences Islamabad from December 5-6, 2017.
15. Participated as speaker in **17th European Burn Association Congress** from 06-09 September, 2017 held at **Barcelona Spain**.
16. Participated as **Speaker** in the **International Symposium on "Recent Advances in Management of Serious Infections"** held in **London United Kingdom** on August 08-09, 2017.
17. Participated as **Faculty Member / Speaker** in 9th Asia Pacific Advance Fluid Conference on "**Fluid Management in Burns**" organized by **AESCULAP INTERNATIONAL ACADEMY** at **Penang Malaysia** from May 12-13, 2017.
18. Participated as Speaker in **PAPSCON 2017**, 22nd Annual PAPS conference at Serena Hotel Faisalabad from March 24-26, 2017.
19. Participated as speaker in **18th International Congress on Burns** organized by the International Society for Burn Injuries (**ISBI**) at **Miami USA** from August 28 to September 01, 2016.
20. Participated as Speaker in the "**Critical Care Conference**" on "**Recent Advances in Management of Wounds Infections**" held in **New York USA** on August 12-13, 2016.
21. Participated as Faculty Member / Speaker in 8th Asia Pacific Advance Fluid Conference on "**Fluid Management in Burns**" organized by **AESCULAP INTERNATIONAL ACADEMY** at **Da Nang City Vietnam** from May 13-14, 2016.
22. Participated as "**Panel of Experts**" in the "**International Symposium on Recent Advances in Management of Serious Infections**" held in **St. Petersburg Russia** on August 23, 2015.
23. Participated as "**Panel of Experts**" in International symposium on Wound Care technologies on June 2-3, 2015 at ConvaTec Global research & development Center Deeside Chester United kingdom.
24. Participated as Faculty Member / speaker in 7th Asia Pacific Advance Fluid Conference on "**Fluid Management in Burn patients**" organized by **AESCULAP INTERNATIONAL ACADEMY** at **Hua Hin Thailand** from April 24-25, 2015.
25. Participated as speaker in **17th International Congress on Burns** organized by the International Society for Burn Injuries (**ISBI**) at **Sydney Australia** from October 12-16, 2014.
26. Participated as "Panel of Experts" in the "**International Symposium on Recent Advances in Management of Serious Infections**" held in **Kuala Lumpur Malaysia** on August 12, 2014.

27. Participated in **15th European Burn Association Congress** from 28-31 August, 2013 held at Vienna, **Austria**.
28. Participated as “Panel of Experts” in the “Critical Care Conference” on “**Recent Advances in Management of Serious Infections**” held in Cape Town **South Africa** on Wednesday 21st August 2013.
29. Participated as Speaker in **PAPSCON 2013** on February 10, 2013 at Jinnah Burns & Reconstructive surgery Centre Lahore and presented a paper on “**The Burnt Child, an Epidemiological Profile and Outcome**”.
30. Participated as speaker in **16th International Congress on Burns** organized by the International Society for Burn Injuries (**ISBI**) at **Edinburgh U.K.** from September 9-13, 2012.
31. Participated as Speaker in the International Symposium on “**Recent Advances in Management of Serious Infections**” held in Frankfurt **Germany** on Friday 31st August 2012.
32. Participated as member of the faculty in 4th Asia Pacific Advance Fluid Therapy Conference on “**Modern Fluids for Improved Patient Outcome & Enhanced Hospital Performance**” organized by **AESCULAP INTERNATIONAL ACADEMY** at **Krabi Thailand** from April 29-30, 2012.
33. Participated as Speaker for the state-of-the-art lecture on “**Acute Burn Care Present, Past & future**” in **PAPSCON 2012** on February 17, 2012 at Quid-e-Azam Medical College Bahawalpur.
34. Qualified the **Certificate Course of EMSB** on September 13, 2011 held at The Hague, The **Netherlands**.
